

Thank You Madam Vice President From Black Women Everywhere

Dear Vice President Harris,

On behalf of so many Black women across this nation and beyond, we want to express our deepest gratitude for your service, leadership, and unwavering commitment to justice and equity. Your historic role as the first woman, the first Black woman, and the first South Asian woman to serve as Vice President is a profound source of inspiration and pride for us all.

Your tireless work to champion causes such as voting rights, economic justice, healthcare, and equity for marginalized communities shows your dedication to uplifting all of us, especially those who have been overlooked for too long. You represent not only hope but a reminder that progress is possible, even in the face of great challenges.

We see your sacrifices, your strength, and your resilience, and we are encouraged to carry that same spirit into our own lives and communities.

Thank you for showing us what is possible when we rise, persist, and lead with courage.

We are proud to stand with you and support you as you continue to break barriers and make history. Please know that your work does not go unnoticed, and it inspires generations of women and girls to dream bigger and fight harder for the future they deserve.

With immense gratitude and admiration,

Shavon Arline-Bradley, Joyce Beatty, Donna L. Brazile, Rhonda Briggins, Roslyn Brock, Yvette Nicole Brown, LaTosha Brown, Glynda Carr, Melanie Campbell, Yolanda Caraway, Christina Cue, Leah Daughtry, Hazel Dukes, Jotaka Eaddy, Secretary Marcia Fudge, Karen Finney, Tina Flournoy, A'shanti Gholar, Holli Holliday, Star Jones, Mignon Moore, Rachel Noerdlinger, Brittany Packnett Cunningham, Symone Sanders Townsend, Angela Rye, Hollye Weekes
